Dear Philomath Friends,

We hope this letter finds you well. We are reaching out to share some exciting news – and ask for your support.

The Philomath Community Foundation (PCF) is proud to announce three new scholarships, the Art and Marilyn Bervin Linn-Benton Community College Scholarship, the Bruce and Steven Moos Memorial scholarship, and the Jan Lane Memorial Scholarship.

The Philomath Forward Scholarship kicked off with great success! The first recipient is now at OSU and will receive four years of support. Please consider a small monthly donation to help future students.

With uncertainties of government funding, PCF continues to support vital community outreach organizations. Our beneficiaries include We Care, Philomath Community Services (PCS), Philomath Youth Activities Club (PYAC), Philomath School District Weekend Food Packs program, and others.

PCF is dedicated in the support of these essential programs and new initiatives that contribute to a healthier community. The ability to fund these community programs depends on the generous hearts of individuals like you.

We invite you to partner with us in building a stronger community. Your contributions will help keep the future bright for Philomath.

If you are interested in creating a scholarship or grant program that leaves a legacy, we would be honored to help bring your vision to life.

We are grateful for the support that we have received in the past. Please, consider making a gift to PCF—we look forward to continuing our mission with your generosity.

Use the included donation sheet or scan the QR code to add your contribution.

With Deep Appreciation,

Doug Edmonds, President
Philomath Community Foundation

PHILOMATH COMMUNITY FOUNDATION SCHOLARSHIP PHILOSOPHY

Philomath Community Foundation aims to provide scholarships so students can continue their educational journeys. With the costs of education steadily rising, talented, deserving students face financial needs unseen by previous generations, and many need financial assistance to be able to pursue higher education.
